MUNICIPAL WATER / WASTEWATER PRODUCTS

CHEMICAL FEED SYSTEMS

Custom-built liquid and dry chemical feed systems (skid-mounted or separate components) for all municipal water / wastewater applications including:

- Coagulant Addition
- Disinfection
- Odor Control
- pH Control
- pH Neutralization Systems

CHEMICAL FEED PRODUCTS

- Acid Neutralization Systems
- Back Pressure Valves
- Belt Feeders
- Calibration Cylinders
- Chemical Injection Quills
- Chemical Metering Pumps
- Chemical Mixing / Induction Units
- Chemical Process Equipment
- Chemical Transfer Pumps
- Chemical Weigh Scales
- Drum Pumps
- Dry Chemical Feeding Systems
- Gas Chlorination
- Liquid Chemical Dilution
- Polymer Blending / Dilution
- Pressure Relief Valves
- Pulsation Dampeners
- Volumetric Feeders

PROCESS EQUIPMENT

- Belt Filter Press
- Corrosion Control Systems
- Field-Erected Treatment Plants
- Gas Chlorination Scrubbers
- High Purity Water Generation Equipment
- Modular Wastewater Treatment Plants
- Odor Control Systems
- Reservoir Mixing / Management
- Table Thickener
- Temporary Bypass Plants

TREATMENT PROCESSES

- Arsenic Removal Systems
- Cartridge Filters
- Chemical Air Filtration / Scrubbing
- GAC / PAC Filtration Systems
- Hub and Lateral Headers
- Iron and Manganese Removal Systems
- Molecular Air Filtration / Scrubbing
- Nitrate Removal Systems
- PFAS, PFOS, and PFOA
- Perchlorate Removal Systems
- Self-Cleaning Automatic Strainers
- Strainers
- Suction Intake Screens / Filters
- Underdrains

ELECTRICAL

- Control Panels
- Industrial LED Lighting
- Motors
- Programmable Logic Controllers (PLC)
- Variable Frequency Drives (6-Pulse, 18-Pulse, Ultra-Low Harmonic)

PUMPS

- Air-Operated Diaphragm (AOD) Pumps
- Booster Pumps
- Centrifugal Magnetic Drive Pumps
- Diaphragm Metering Pumps
- Drum Pumps
- Dry Pit / Wet Pit Submersible Pumps
- Gear (Metallic and Non-Metallic) Pumps
- Grit Pumps
- Horizontal End Suction Pumps
- Liquid Ring Vacuum Pumps
- Packaged Lift Station Pumps
- Peristaltic / Hose Type Pumps
- Progressive Cavity Pumps
- Recessed Impeller Pumps
- Rotary Lobe Pumps
- Sludge Pumps
- Solenoid Metering Pumps
- Split Case Pumps
- Storm Water Pumps
- Submersible Pumps
- Submersible Recirculation Pumps
- Thermoplastic Pumps
- Vertical Turbine Pumps
- Volute Casing Pumps

AERATION / FLOCCULATION / MIXING

- Aeration Control Systems
- Flocculators
- Mixing / Ozone / Aeration
- Reservoir Circulators
- Static Mixers
- Submersible Mixers
- Tank Mixers
- Vertical Turbine Mixers

VALVES

- Back Pressure Valves
- Ball Valves
- Check Valves
- Needle Valves
- Pressure Reducing Valves
- Pressure Regulating Valves
- Pressure Relief Valves
- Solenoid Valves

GAUGES

- Diaphragm Seals
- Pressure Gauges
- Tank Level Gauges

ANALYZERS / MONITORS

- Chlorine Residual Analyzers
- Conductivity Analyzers
- Nitrate Analyzers
- Particle Counters / Monitors
- pH / ORP Analyzers
- Streaming Current Monitors
- Turbidimeters
- Chemical Feed Controllers (Multiple / Variable)

INSTRUMENTATION

- Chemical Flow Meters
- Dry Cake Measurement
- Electronic Level Measurement
- Loop Indicators
- Low / Total Solids Measurement
- Mechanical Level Measurement
- Particle Counters / Monitors
- Pressure Indicators / Switches
- Pressure Transducers / Transmitters
- Sight Flow Indicators
- Temperature Indicators / Switches
- Valve Manifolds

TANKS

- Carbon Steel Tanks
- Fiberglass (FRP) Tanks
- Linear Polyethylene Tanks
- Stainless Steel Tanks

SPECIALTY PRODUCTS

- Fiberglass Shelters / Enclosures
- Mechanical Seals
- Pump Protection Products
- Pump Transfer Systems
- Rainwater Recovery Systems

SYSTEMS INTEGRATION / FIELD SERVICE / LICENSED ENGINEERING CONTRACTOR

- Application Engineering Assistance
- Integrated Instrumentation Packages
- Engineering and Design Services
- Impeller Replacement
- Local Parts Inventory
- Mobile Water Purification Systems for Disaster / Emergency Use
- Prefabricated Skid-Mounted Equipment Packages
- Project Management
- Repair / Testing / Calibration
- Routine Preventative Maintenance (RPM)
- Training Programs
- Variable Frequency Drive (VFD) Retrofit / Replacement
